# WARRANTY CONDITIONS

## WARRANTY PERIOD

KEWAUNEE SCIENTIFIC CORPORATION warrants for a limited lifetime warranty, unless other wise stated below, beginning at the date of substantial completion, that all products sold under the contract referenced below shall be free from defects in material and workmanship.

## WARRANTY CONDITIONS

- The Buyer is required to inspect the goods upon receipt from.
- The seller. Subsequent claims related to obvious defects are not accepted by EVERHUTCH
- Any claims on the purchased product, the buyer must submit in all cases only through the dealer from whom the goods were purchased.
- Purchaser shall notify Kewaunee immediately of any defective product.
- Kewaunee shall be given reasonable opportunity to inspect the product and may repair or replace at our sole discretion.
- No product shall be returned to Kewaunee until receipt by purchaser of written shipping instructions from Kewaunee.
- PURCHASER'S EXCLUSIVE REMEDY, AND KEWAUNEE'S SOLE LIABILITY, SHALL BE, AT KEWAUNEE'S SOLE OPTION, REPAIR OR REPLACEMENT OF THE NONCONFORMING PRODUCTS OR THEIR PARTS, OR REFUND OF THE PURCHASE PRICE.
- The right to claim standard warranties given by the manufacturer expires:
  - Failure to present the original proof of purchase in case of a claim
  - The given warranty period, for the claimed product has expired
  - Damage to the goods during transportation (such damage must be claimed directly with the shipping forwarder)
  - environmental influences, usual for the product
  - Negligent installation, handling or operation
  - If the goods are damaged by excessive load or used contrary to the allowed conditions specified in the installation manual or in the supplied documentation or general principles of handling of such products
- Warranty does not cover wear and tear caused by normal use
